25X1A

2. According to [REDACTED], he has been directed to inventory the entire Agency for cases wherein the Agency is committed to reimburse a beneficiary in the event an individual of interest to the Agency is killed. This survey does not apply to staff employees. For all intents and purposes [REDACTED] is carrying on the work initiated by the Chief, Casualty and Affairs Branch of the Office of Personnel. Some time ago in the past [REDACTED] chaired a casualty committee and conducted exploratory work in this same area.

25X1A

3. [REDACTED] was security-briefed Projects ID and OX. He was not given any substantive information. It was made known to him that both these projects provided for the utilization of individuals in the category in which he has an interest.

25X1A

4. [REDACTED] was encouraged to bear in mind if he identifies our personnel under these projects by true name or mentions any of the operational aspects, it will be necessary for him to appropriately classify the document and afford it special handling. He was encouraged to the degree possible to avoid such references and thereby achieve a greater degree of flexibility in the utilization of any such paper he generates.

25X1A

25X1A

5. In the event he finds it necessary to dictate matters pertaining to these projects, [REDACTED] offered [REDACTED] the use of his secretary.

25X1A

25X1A

6. [REDACTED] was identified to [REDACTED] as the OSA Case Officer for the individuals in question and
